

At KPMG in Mozambique, we believe that this will be the African century and that the “race for Africa” has truly begun. Sustainable growth will lift millions of Africans out of poverty with the emergence of an economically and politically influential middle class.

BRAND VALUES

Whilst our relationships with clients are governed by a spirit of partnership and integrity, we do not compromise on independence or risk. We bring an impartial approach to each engagement. Our values are reflected in the work we do in providing solutions that meet our clients requirements while remaining sensitive to local culture, traditions and rules.

COMMUNICATION

KPMG has extensive experience in conducting market and sector surveys to maintain our understanding of issues faced by clients in key industries.

These studies have identified common challenges and contributed to a more transparent business environment in Mozambique. Publications focusing on private sector deve-

lopment include: Top 100 Companies in Mozambique; Banking Survey, Business Confidence Index, Fiscal Laws and Civil Code.

SOCIAL RESPONSIBILITY

KPMG is committed to the sustainable development of Mozambique. Our approach towards corporate social responsibility (CSR) aims to strengthen the relationship between our clients, our people and the communities we serve.

Social responsibility within KPMG is aligned to its mission “to turn knowledge into value for the benefit of our clients, our people and the capital markets we serve”.

COMPETITIVE ADVANTAGES

We are a Mozambican firm that combines strong operational capacity with knowledge of local conditions. We offer the most

comprehensive array of audit and advisory services in the Mozambican market, within one firm.

KPMG invests significant resources to obtain an in-depth understanding of the Mozambican economic, social and political environment as shown by our public research activities.

We were the first of the traditional “Big Four” firms to establish a permanent base in the north of the Country with an office in Nampula, and project offices in several provinces.

We have the necessary quality control and performance systems in place to ensure our independence and integrity.

We have built a high level of credibility in a range of Government and industry sectors.
